

Features

- ✓ Suitable for SSW7 and NETLink® PRO PoE

Mounting adapter

Depending on the design of the mounting adapter, a wide variety of components can be mounted on the DIN rail.

The short DIN rail adapter is suitable for devices installed in an SSW7 housing and for the NETLink® PRO **PoE**.

Possible applications for

- SSW7-TS, MPI adapter with Teleservice function **700-751-8VK21**
- NETLink® PRO PoE, PROFIBUS Ethernet Gateway **700-881-MPI21**
- NETLink® PRO PoE, 35° cable aisle for S7-400 **700-881-MPI22**
- SSW7, MPI programming adapter, RS232 **700-751-1VK21**
- SSW7, MPI programming adapter, RS422 **700-752-1VK21**
- SSW7-USB, MPI programming adapter USB **700-755-1VK21**
- SSW7-HMI, MPI-Adapter **700-751-9VK21**
- SSW7-RK512, MPI-Adapter **700-751-5VK21**
- SSW7-RK512, MPI adapter with RS422 interface **700-752-5VK21**

General information

Order number	700-751-HSH01
Article name	DIN rail adapter, short
Scope of delivery	DIN rail adapter
Dimensions (DxWxH)	113.3 x 35.8 x 20.5 mm
