

Features

- ✔ Suitable for individual 300 modules, e.g. DP/DP couplers

Mounting adapter for Mounting Rail

Depending on the design of the mounting adapter, a wide variety of components can be mounted on the DIN rail.

With the profile rail adapter, components in the S7 300 design can be mounted on the DIN rail.
For example, DP / DP couplers for which no extra profile rail is provided.

General information

Order number	700-390-6BA01
Article name	Mounting rail adapter for DIN rail
Scope of delivery	Mounting rail adapter
Dimensions (DxWxH)	128 x 39 x 25 mm
Weight	Approx. 30 g
Plastic	Noryl PX 1846 SE1 GFN1
Insulating material group	II
Flame propagation speed	V-1
